**Subject:** FW: Weekly Permit Review Update

Courtney's update. I sent a note to Cara asking for a meeting to discuss. Items 1-3 were delegated but the rest is Courtney.

The "other cases" at the bottom is significant. Also, as I left the building yesterday I saw Mark Ryan and Cara talking. I stopped to say hello

**Non-Responsive – due to requester agreement**

Another significant ORC workload..

**Subject:** Weekly Permit Review Update

Hi Mike, Susan and Karen:

I think I've checked in with you all about permit status at some point this week but wanted to provide you with a summary of where things stand for ORC. For the most part, I'm leaving out permits where I know they have already gone to the state for cert:

**Non-Responsive – due to requester agreement**

9. Lower Columbia River Dams (Dalles, Bonneville, McNary, John Day) – I'm finishing review of the Lower Columbia fact sheet and Dalles permit (will likely concur by tomorrow)

**Non-Responsive – due to requester agreement**

Other cases:

**Non-Responsive – due to requester agreement**

# Non-Responsive – due to requester agreement

Let me know if you have any questions, etc. or if I'm missing something. Copying the other ORC attorneys who have been involved in case they have anything to add.

--Courtney
